Due to the various weights and sizes of our goods, it is difficult to estimate postage and packing costs of multiple buys. Single purchases of low cost items are shown above by the item. Below is a list of what we feel will cover our costs on multiple buys. Any money over and above the costs will be put into Dog A.I.D. funds and treated as a donation. We hope that this meets with your approval. Items will be posted second class (wherever possible to save money) or parcel post. Please telephone for overseas rates.
